

**Envisioning
vital rural communities
full of hope, compassion, and
opportunity for all.**

CATCH prepares rural communities to welcome foreign born families as permanent residents.

Honesty - Accurately assess reality, telling the truth as best we know it, at all times.

Hope - Build real opportunity for a positive future for those who desire their rural communities to grow and thrive and for those seeking a safe place to raise a family.

Empowerment - Enable rural places to take proactive steps in welcoming and integrating immigrants through private sponsorship.

- Private sponsorship allows individuals, groups, and organizations to help refugees resettle in local communities.
- Private sponsorship improves the process of integration creating a mutually beneficial scenario.

Community - Create a welcoming environment that nurtures a sense of belonging and support for both existing residents and newcomers.

They need us. We need them.
